CRANKSHAW NETWORKS LTD - MANAGED IT SERVICES AGREEMENT

==========

Customer ......: .....

Site address ..: .....

Agreement no. .: .....

1. SERVICES

Help desk support during business hours, remote monitoring of servers and network devices, patch management, and backup monitoring for the devices listed in the asset register.

2. SERVICE LEVELS

Priority 1 incidents: response within one hour. Priority 2: four business hours. Priority 3: next business day. Service credits are the customer's only remedy for missed targets.

3. CUSTOMER DUTIES

The customer will give reasonable remote and on-site access, keep licences current, and tell us promptly about changes to the environment.

4. CHARGES

A monthly per-device charge, invoiced monthly in advance. Project work outside the services is quoted separately.

5. TERM

Twelve months from the start date, then rolling monthly until ended by either party on ninety days' notice.

This agreement sets out the terms on which we will provide managed IT services to you. Please read it carefully; it is a binding contract once both parties have signed.

Each party will keep the other party's confidential information confidential, use it only for the purpose of this agreement, and return or destroy it on request, except where the law requires otherwise.

Our liability for any claim arising from this agreement is limited to the fees paid in the twelve months before the claim, except for fraud or any liability that cannot lawfully be limited.

Either party may end this agreement by giving thirty days' written notice. Fees for work done up to the end date remain payable.
