1. Scope of Services

Saltmarsh will plan, produce and manage the following services for Client during the SOW term:

- Brand campaign strategy: audience research, messaging framework and a quarterly campaign calendar.
- Paid social management on two platforms selected by Client, including creative refreshes every four weeks.
- Monthly content package: eight static posts, two short-form videos and one long-form blog article.
- Reporting: a monthly performance dashboard and a 45-minute review call with the Client project lead.

2. Deliverables and Timeline

Phase	Deliverable	Target
Discovery	Kickoff workshop, audience brief	Weeks 1-2
Strategy	Messaging framework, campaign calendar	Weeks 3-4
Production	First content package, ad creative	Weeks 5-6
Optimization	Monthly refresh and reporting	Ongoing

3. Fees

Client will pay a monthly retainer of $_____ for the services in Section 1, invoiced on the first business day of each month. Paid media spend is not included in the retainer; it is billed to Client's own ad accounts or passed through at cost with a 10% management fee. Work outside this SOW requires a written change request and is billed at $165 per hour.

4. Assumptions

- Client provides brand guidelines, logo files and product information within five business days of kickoff.
- Client consolidates feedback from its reviewers and returns one set of comments per round; two rounds of revisions are included per deliverable.
- Client owns and pays for its ad platform accounts and grants Saltmarsh administrator access for the SOW

term.

- Timelines move day-for-day with any delay in Client approvals or materials.

5. Acceptance

Each deliverable is deemed accepted five business days after delivery unless you send us written notice describing how it does not conform to this SOW. We will correct conforming defects and resubmit the deliverable for review. Use of a deliverable in a live campaign is acceptance of that deliverable.

6. Term and Termination

This SOW runs from the start date to the end date above and renews month to month afterward unless either party gives thirty (30) days' written notice. Fees for the notice period remain payable. On termination we will hand over all final files for deliverables you have paid for.

The parties' authorized representatives have signed this SOW below.
