Sessions	Twelve (12) 60-minute video sessions
Start date	_____
Investment	$_____

Payment option (please tick one):

[ ] Paid in full at signing [ ] Three monthly installments

1. Nature of coaching. Coaching is a partnership focused on your professional goals. It is not therapy, counseling, legal or financial advice, and it is not a substitute for those services. You are responsible for your own decisions and results, and we do not promise any particular outcome.

2. Confidentiality. We keep what you share in our sessions confidential, except where disclosure is required by law or where we believe there is a risk of serious harm to you or others. If your employer is paying for the program, we will report only attendance and the goals you agree we may share.

3. Scheduling and cancellation. Sessions are booked through our online scheduler. You may reschedule a session up to 24 hours in advance at no charge. Sessions cancelled or missed with less than 24 hours' notice are counted as used. All twelve sessions must be used within nine months of the start date.

4. Payment. If you choose installments, the first is due at signing and the others on the same day of each of the next two months, charged to the card on file. A late installment pauses scheduling until it is paid.

5. Refunds. If you decide coaching is not right for you after the first session, tell us before the second session and we will refund the investment less one session at our standard rate of $450. After the second session, payments are non-refundable.

6. Recording. We do not record sessions unless you ask us to in writing. Any recording is shared only with you and deleted after thirty days.

7. Ending the agreement. Either of us may end this agreement by email if the coaching relationship is no longer useful. Any unused prepaid sessions after the refund period are refunded at a pro-rated amount of the investment.
