TERMS AND CONDITIONS

1. Services. Provider will provide the artificial intelligence automation, workflow design, data integration and knowledge-graph services described in this Agreement and in each statement of work signed by the Parties (each, an "SOW") (collectively, the "Services"). The Services may include discovery workshops, process mapping, design and configuration of automated workflows, ingestion of Customer's documents and records into a knowledge graph, configuration of retrieval and question-answering features, user training, and ongoing monitoring of the deployed solution (the "Solution"). Provider may engage subcontractors to perform parts of the Services, provided that Provider remains responsible for their performance and for their compliance with this Agreement.

2. Subscription. During the Subscription Term, Provider grants Customer a non-exclusive, non-transferable right to access and use the hosted platform through which the Solution is delivered (the "Platform") solely for Customer's internal business purposes, subject to the usage limits stated in the applicable SOW. Customer will not (a) resell or sublicense the Platform, (b) reverse engineer or attempt to extract the source code or model weights of any part of the Platform, (c) use the Platform to build a competing product, or (d) use the Platform in violation of applicable law or any acceptable use policy that Provider provides in writing.

3. Customer Data. Customer retains all right, title and interest in the documents, records and other materials that Customer or its users submit to the Platform ("Client Data"). Customer grants Provider a limited license to host, copy, process, transform and display Client Data solely as needed to provide the Services. Provider will not use Client Data to train or fine-tune any general-purpose machine learning model made available to other customers. Provider may use aggregated, de-identified usage statistics to operate and improve the Platform. Customer is responsible for obtaining all consents and giving all notices required for Provider to process Client Data, and for the accuracy, quality and legality of Client

Data.

4. AI Outputs. The Solution uses machine learning models, including large language models provided by third parties, that generate outputs probabilistically. Outputs may be inaccurate, incomplete or inconsistent, and Customer is responsible for reviewing outputs before relying on them for any decision with legal, financial, medical or similar significance. As between the Parties, Customer owns the outputs generated from Client Data, subject to Provider's rights in the Platform and in its pre-existing materials.

5. Security. Provider will maintain administrative, physical and technical safeguards designed to protect Client Data against unauthorized access, use or disclosure, including encryption in transit and at rest, role-based access controls and logging of administrative access. Provider will notify Customer without undue delay, and in any event within seventy-two (72) hours, after confirming a security incident affecting Client Data, and will cooperate with Customer's reasonable requests for information about the incident.

6. Fees and Payment. Invoices are due within thirty (30) days after the invoice date. Late payments bear interest at one percent (1%) per month or the maximum rate permitted by law, whichever is less. Fees exclude taxes, which Customer will pay, other than taxes on Provider's net income. Third-party model usage, hosting and API costs that exceed the usage allowance in the applicable SOW will be passed through at cost, as shown in the monthly usage report.

7. Confidentiality. Each Party will protect the other Party's non-public business, technical and financial information that is marked or reasonably understood to be confidential ("Confidential Information") with at least reasonable care, will use it only to perform under this Agreement, and will disclose it only to personnel and advisors who need to know it and are bound by obligations no less protective than these. These obligations do not apply to information that is or becomes public through no fault of the receiving Party, that the receiving Party already knew or independently developed, or that it lawfully received from a third party without restriction.

8. Intellectual Property. Provider retains all rights in the Platform, its software, prompts, workflow templates, ontologies, connectors, documentation and know-how, including improvements made while providing the Services ("Provider Materials"). Upon payment in full, Customer owns the custom deliverables identified in an SOW as belonging to Customer, excluding Provider Materials.

9. Term. The subscription term begins on the subscription start date in the Order Form and continues for twelve (12) months (the "Subscription Term"). It renews automatically for further twelve (12) month terms unless either party gives notice of non-renewal at least thirty (30) days before renewal. Either Party may terminate this Agreement on written notice if the other Party materially breaches it and fails to cure the breach within thirty (30) days after receiving written notice. On termination, Customer will pay all fees accrued through the termination date, and Provider will make Client Data available for export for thirty (30) days, after which Provider will delete it.

10. Warranty. Provider warrants that it will perform the Services in a professional manner consistent with industry standards. EXCEPT AS EXPRESSLY SET OUT IN THIS AGREEMENT, THE SERVICES, THE PLATFORM AND ALL OUTPUTS ARE PROVIDED "AS IS", AND PROVIDER DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

11. Limitation of Liability. NEITHER PARTY WILL BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, OR FOR LOST PROFITS, REVENUE OR DATA, EVEN IF ADVISED OF THEIR POSSIBILITY. EACH PARTY'S TOTAL LIABILITY UNDER THIS AGREEMENT WILL NOT EXCEED THE FEES PAID OR PAYABLE BY CUSTOMER IN THE TWELVE (12) MONTHS BEFORE THE CLAIM AROSE.

12. General. This Agreement is governed by the laws of the Commonwealth of Massachusetts, excluding its conflict of laws rules, and the Parties submit to the courts located in Suffolk County, Massachusetts. This Agreement, together with each SOW, is the entire agreement of the Parties on its subject matter. Amendments must be in writing and signed by both Parties. Neither Party may assign this Agreement without the other's consent, except in connection with a merger or sale of substantially all of its assets. This Agreement may be signed electronically and in counterparts, each of which is an original and all of which together are one instrument.
